**Petrochemistry 2020** welcomes attendees, presenters and exhibitors from all over the world to London, UK to attend International conference on Petrochemistry and Chemical Engineering during **April 15-16, 2020** which includes keynote presentations, Oral talks, Poster presentations and Exhibitions.

### Group discounts can be provided as follows:

- Minimum 5 members: Registration + 2 night Accommodation = Each member can get 499 Euros only
- Minimum 5 Members only Registration: Each member 299 Euros
- More than 5 members : Registration + 2 night Accommodation = Each member can get 399 Euros only
- More than 5 members Registration : Each member 249 Euros
- Local Students each member: 199 Euros
- Local Students in Group more than 10 members: 119 Euros

### Covering major Petrochemical Engineering

#### Topics:

- Key Sessions on:
  - Petroleum Geology
  - Migration of Petroleum
  - Petroleum and Petrochemicals
  - Petrochemical Plant and Processes
  - Petroleum Engineering
  - Harmful Effects of Petrochemicals
  - Oil & Gas Engineering
- Enhanced oil recovery
- Offshore oil and gas production technologies
- Chemical Industry and Market Analysis
- Environmental and sustainable chemical engineering
- Reservoir Engineering
